Dear Judge Cote:

I am the attorney for the plaintiff in the above-referenced action. I informed Your Honor during a telephone conference two weeks ago that I had become unable to locate my client. Since that time, my investigator has attempted to find him. Unfortunately, he has not been successful in this endeavor. Consequently, I am reminding Your Honor that you stated in the conference that if my client had not been located by today, you would dismiss the action without prejudice. Should I be able to locate my client in the future, I shall promptly inform the court and the attorney for the defendants.

Very truly yours,
